ADMINISTRATOR'S REPORT January 2003

H2P2 Implementation Activities of the Subarea Health Planning Councils (SACs)

- Hawaii H2P2 Chapter on Behavioral Health: The Hawaii SAC is proceeding with the grant project. Eight community forums have been held in conjunction with the Hawaii County Office on Aging to gather additional information related to behavioral health and other health-related transportation needs. A January/February 2003 conference is planned to pull all the data together and to brainstorm possible solutions.
- Tri-Isle Before selecting their next H2P2 project, the SAC is updating their information about health resources in Maui County. Their October and December guest presenters spoke about Maui County's long term care issues.

The Honolulu, Kauai, West Oahu and Windward SACs did not meet in December.

Research and Statistics:

Website stats: During the months of October and November of 2002 the SHPDA website had 15,616 and 12,435 hits, respectively.

Website updates: The Certificate of Need Application Summary Files, SHPDA Update Reports and the Web Server Hits Statistics pages were updated.

Started preparing for the 2002 Utilization Survey.
